Yet another reason that the world is ready for decentralization - should the US/Israeli governments be able to shut down social media accounts for political reasons? You can guess what we think.

### Facebook Says It Is Deleting Accounts at the Direction of the U.S. and Israeli Governments

The Silicon Valley giant says it deleted the accounts of the Chechen Republic's tyrant — followed by 4 million people — because the U.S. government required it to do so.

We had such a good time watching Howl on the last Movie Tuesday that we're doing it again! Rare Exports isn't your standard-issue Christmas story. Watch along with us on Tuesday, and check the link for details!

## It's A Very Special Holiday Special Movie Night - LBRY

It's that special time of year when Finnish directors make hilarious/terrifying movies about holiday folklore.

Dave Raynor Know what's going to kill YouTube? Their own overbearing and draconian policies on what users can post.

Like Reply 14w

Dave Raynor They shot themselves in the foot the first with becoming so fixated and stringent on copyright, and now they're blowing a hole in their good foot by pissing off and driving out content providers..

How are they going to sell advertising when (1) no one is providing content, and (2) no one is watching what is left...?

LBRY UPDATE! v0.15 is now live!

- LBRY users can now claim one of their referral rewards (as long as you didn't refer any bots)
- LBRY users can now view a complete history of invites in their wallet
- Significant improvements to the on-boarding process for new users, making it easier than ever for creators to put their content on LBRY and get started with LBRY credits
- More technical updates and fixes than you can shake a stick at - check out the link for full detail

### LBRY Update

LBRY v0.15.0rc2 is now available - here's a rundown of what's changed.
